ABOUT ME

I'm an MBA (Information Technology) graduate who has spent the last 3+ years creating content for brands across fitness, beauty, wellness and hospitality.

I work end to end: concept and script, shoot, edit, publish and, when needed, boost the post for extra reach. That means brands get content that looks good and is built to perform.

HOW WE WORK

1

Brief

You share the product, goals and timeline. I reply within 24 hours.

2

Concept

I send the idea, script and a clear quote for approval.

3

Create

Shoot and edit, with one round of revisions before posting.

4

Publish

The post goes live, gets boosted if planned, and you see how it performs.
